

Project: College Administration Building
Client: Christendom College
Item: Entry Courtyard Plan

Summary

This was for the design development of an entry into the existing Administration Building of Christendom College. Project consisted of initial/project review and site analysis through development of Construction Documents along with limited construction oversight. Three onsite meetings were held with the client during design development. Items considered included courtyard, walls, plantings and lighting. Project was completed in 2007. Approx construction budget was \$50,000.00
